Fantastic opportunity to purchase a building plot where Golf meets the sea. A short drive from Lagos, with its beautiful historic center and Marina, and overlooking the 3.5 mile long Meia Praia Beach, this multi-awarded golf course, with 27 holes by Robert Trent Jones Jr. has one of the most privileged and stunning locations in the Algarve and in the early phases of development still, offers the opportunity to purchase premium positioned plots, that offer both golf and sea views, in a modern high quality designer environment. Generously sized plots that vary between 2000 and 3000m2, guarantee space, privacy and good value to the properties. Offering very high rental potential on the villas, once completed, and a good return on an investment, with the added bonus of being in one of the most remarkable beauty spots of Portugal.
