Burgau is one of the most picturesque fishing villages in the Western Algarve. Known for its natural beauty, quaint atmosphere, and touch of eccentricity, the village offers a delightful variety of restaurants and local commerce within its compact centre. The beach, tucked away and all the more special for it, is one of the loveliest and most sheltered in the region. Bordering the village is the Natural Park, bringing with it breathtaking coastal scenery and a sense of preserved serenity. Nestled right in the heart of Burgau is a small, exclusive condominium—built to the highest standards, featuring modern fittings, quality equipment, beautifully landscaped gardens, and a shared pool. Now fully complete, all units have been sold—except for the show apartment: a superb first-floor, two-bedroom residence with a private rooftop terrace and underground parking.
