As you come inside the house you can go from the small hall to the kitchen with an outdoor patio. Another door brings us to the toilet or to the saloon. The most charming place is the living room with many windows and a centrally located fireplace. In every corner, we can feel traditional Algarvian charm like big wooden beams on the ceiling. The house combines three bedrooms, each with plenty of natural light. The master suite, a true sanctuary, offers a private escape with its own en-suite bathroom and hydromassage bath. The two extra bedrooms with shared bathroom offer comfortable lodging for family or guests with a welcoming and inclusive environment. The outside area provides a haven of tranquility. There is a view of the countryside. From the roof terrace, you can see Monchique mountain. In the garden, you find a lot of mature trees with fresh fruits. Great for outdoor dining, or simply enjoying sunny days. There is a beautiful swimming pool, which is perfect for cooling off on hot afternoons or taking a dip under the starlit skies. Situated in a peaceful area of the Algarve, away from the hustle this villa offers an escape while still being located near local amenities and attractions. There is a garage and gym building transformed into a small annex that is ideal for if you think of going into renting business or for maid accommodation
