"Reserva da Luz" is a prime urbanization located on the seafont in Luz. This spacious plot offers beautiful sea views and allows for the construction of a one-storey villa with a basement. Despite its 100sqm footprint, there's ample room for a comfortable living space, complemented by a basement with approx 60sqm, swimming pool, and a delightful roof terrace with 40sqm. Ideal for not too large families. The property is already fenced and landscaped, enjoying a beautiful garden. A mere 650m to the sea. A delightful project has been proposed to the Town Hall, by Renato Cintra arquitectos, depicted in 3D, but as soon as approved, can be easily tailored to your preferences. Situated approximately 1,800m from Luz Church, it's just a 20-minute walk to the village centre, beach, and all amenities. Luz is a highly desirable location for both permanent residence and holidays, offering top-notch restaurants, bars, water sports, nearby golf courses, and excellent international schools. Building your dream home here, with the freedom to choose designs, materials, and finishes, is a unique opportunity not to be missed.
